You say I'm beau-ti-ful__ to you. Help my eyes to know that truth.

Give this tir-ed heart the cour-age to let__ love through. I want to be-lieve

that I am beau-ti-ful. I am be-lov-ed.__

I am be-lov-ed.__ By the grace of the one__ who made me

who I am, I am be-lov-ed.__ There are voic-es__ that ring loud.

Like gongs and cym-bals they__ re-sound. They're tryin' to

tell me where my worth is found. I know I'm bro-ken, but I'm not bound.
